Will home town boy make good serving on County Board?

JIM FIELDS

The entire world is waiting with baited breath until after next Tuesday's election to see who the President of the United States will be come January and there are many other interesting and close races for Senate, congressional seats as well as for offices in Lake County.

It's this category that is the nearest and dearest to the hearts of many Antiochans since one of our home town boys, Jim Fields, is vying for one of the two open seats on the Lake County Board in District 4.

Will Fields continue to be the large vote getter that he proved to be in the primary

election when he and Republican, Donna Mae Litwiler, Ingleside, won?

County Board seats are normally set for four years but Fields and Litwiler are running against Tony Marsala, Round Lake, and John Stickle, Round Lake Beach, for two year seats to allow redistricting in 1982 to be based on the 1980 census.

Fields, 50, born and bred in Antioch, has been an Antioch Township supervisor since 1977, a member of the Antioch Rescue Squad and the Lions.

Fields claims from his experience on the Antioch Township Board he has learned that the Lake County Planning Commission does not give sufficient attention to the needs and wants of the townships and villages, saying, "They do what they want to do."

Fields also approves of the operation of the Lake County Sheriff's Dept. but in reference to the conflict between Sheriff Brown's office and the Merit Commission, which he favors, he says, "Politics should be kept out of law enforcement."

And here's good news for the over drained taxpayers, he does not support a pay increase for county board members.

Fields, who works part time for Teresi Chevrolet, and his wife Gail have five children ranging in age from 22 to 12 years.

Halt speeder, catch murder fugitive!

Andrew Gurican, 37, Channel Lake, was stopped for speeding on Rte. 173, near Richmond, on Thursday, Oct. 23, by the McHenry County Sheriff's Dept. but is being held in the McHenry County jail awaiting a court hearing after the sheriff's department learned that Gurican was fugitive from Rowan County, North Carolina, with a warrant issued against him carrying the charge of murder.

According to the McHenry County Sheriff's Dept., Gurican's bond has been set at \$500,000 by McHenry County Judge Roland Herrmann and the case has been continued to a hearing set for Nov. 24, at 9:30 a.m., in a McHenry County Court.

Nancy E. Hurst, 27, Antioch, a passenger in Gurican's car, when he was stopped for speeding, was charged with the possession of cocaine and the possession of a controlled substance.

Her bond was set at \$5,000 on each charge. She has been released and her court hearing on the charges has been set for Wednesday, Oct. 29, in McHenry County.

No further information on the North Carolina murder was available.

Good news in The News

Football Winners

The winner of the Antioch News' football contest, hit the point spread right on the button, predicting a 13 point spread as the Antioch Sequoits trounced the Grant Bulldogs 26-13.

Wayne Soder is this week's winner, even though Mary Furlan also predicted a 13 point spread, Wayne was closer on the point spread between the Bears and the Eagles.

Second prize went to Furlan and Jim Weber won third prize.

News Date Change

So that complete election returns can be reported, The Antioch News will be available next week on newstand Wednesday instead of Tuesday as usual.

Publisher William H. Schroeder announced that the Wednesday, Nov. 5, edition will be received by mail subscribers Thursday instead of Wednesday as usual.

Story Contest

Entries have already begun coming in for the Christmas Story Contest being sponsored by the Antioch News in conjunction with participating merchants. The contest is also being promoted by The News in conjunction with the U.S. Marine Corps Toys For Tots campaign.

Driver charged in deaths, sentenced to one year

Jimmy D. Curtis, 32, Round Lake Park, was sentenced to one year in prison on Tuesday, Oct. 21, by Associate Lake County Circuit Judge Alphonse Witt, after pleading guilty to reckless homicide in the traffic accident deaths of Robert Peterson, 22, and John (Butch) Koch, 23, both of Antioch.

Although Curtis' attorney Peter Staben asked for a probationary term because of the lack of a criminal history, Assistant State's Attorney Laurence Helm, the prosecuting attorney, argued that since two deaths had occurred, some prison time was indicated.

Witnesses to the accident, that occurred in January, claimed that Curtis, who was

traveling south on Rte. 83 near Beach Grove Rd., swerved out of his lane of traffic as if to pass a truck he had been following closely.

When the Curtis car went into the northbound traffic lane it struck the Peterson-Koch vehicle head on.

Koch and Peterson, both born and raised in southeastern Wisconsin and graduates of Wilmot High School were on their way home from work. Both died as a result of injuries suffered in the accident.

Peterson was married to Koch's sister and all three were residing in Antioch at the time of the accident.

Antioch Lions raise money for blind, deaf

The Antioch Lions Club raised \$5,021.41 on Friday, Oct. 10 and Saturday morning Oct. 11, during Lions Clubs of Illinois Candy Day for Humanitarian Services. The funds benefit the blind and deaf.

"We are delighted with the total, and we hope next year to raise even more," said Paul Maginot of the Barr Funeral Home, Candy Day chairman for the club.

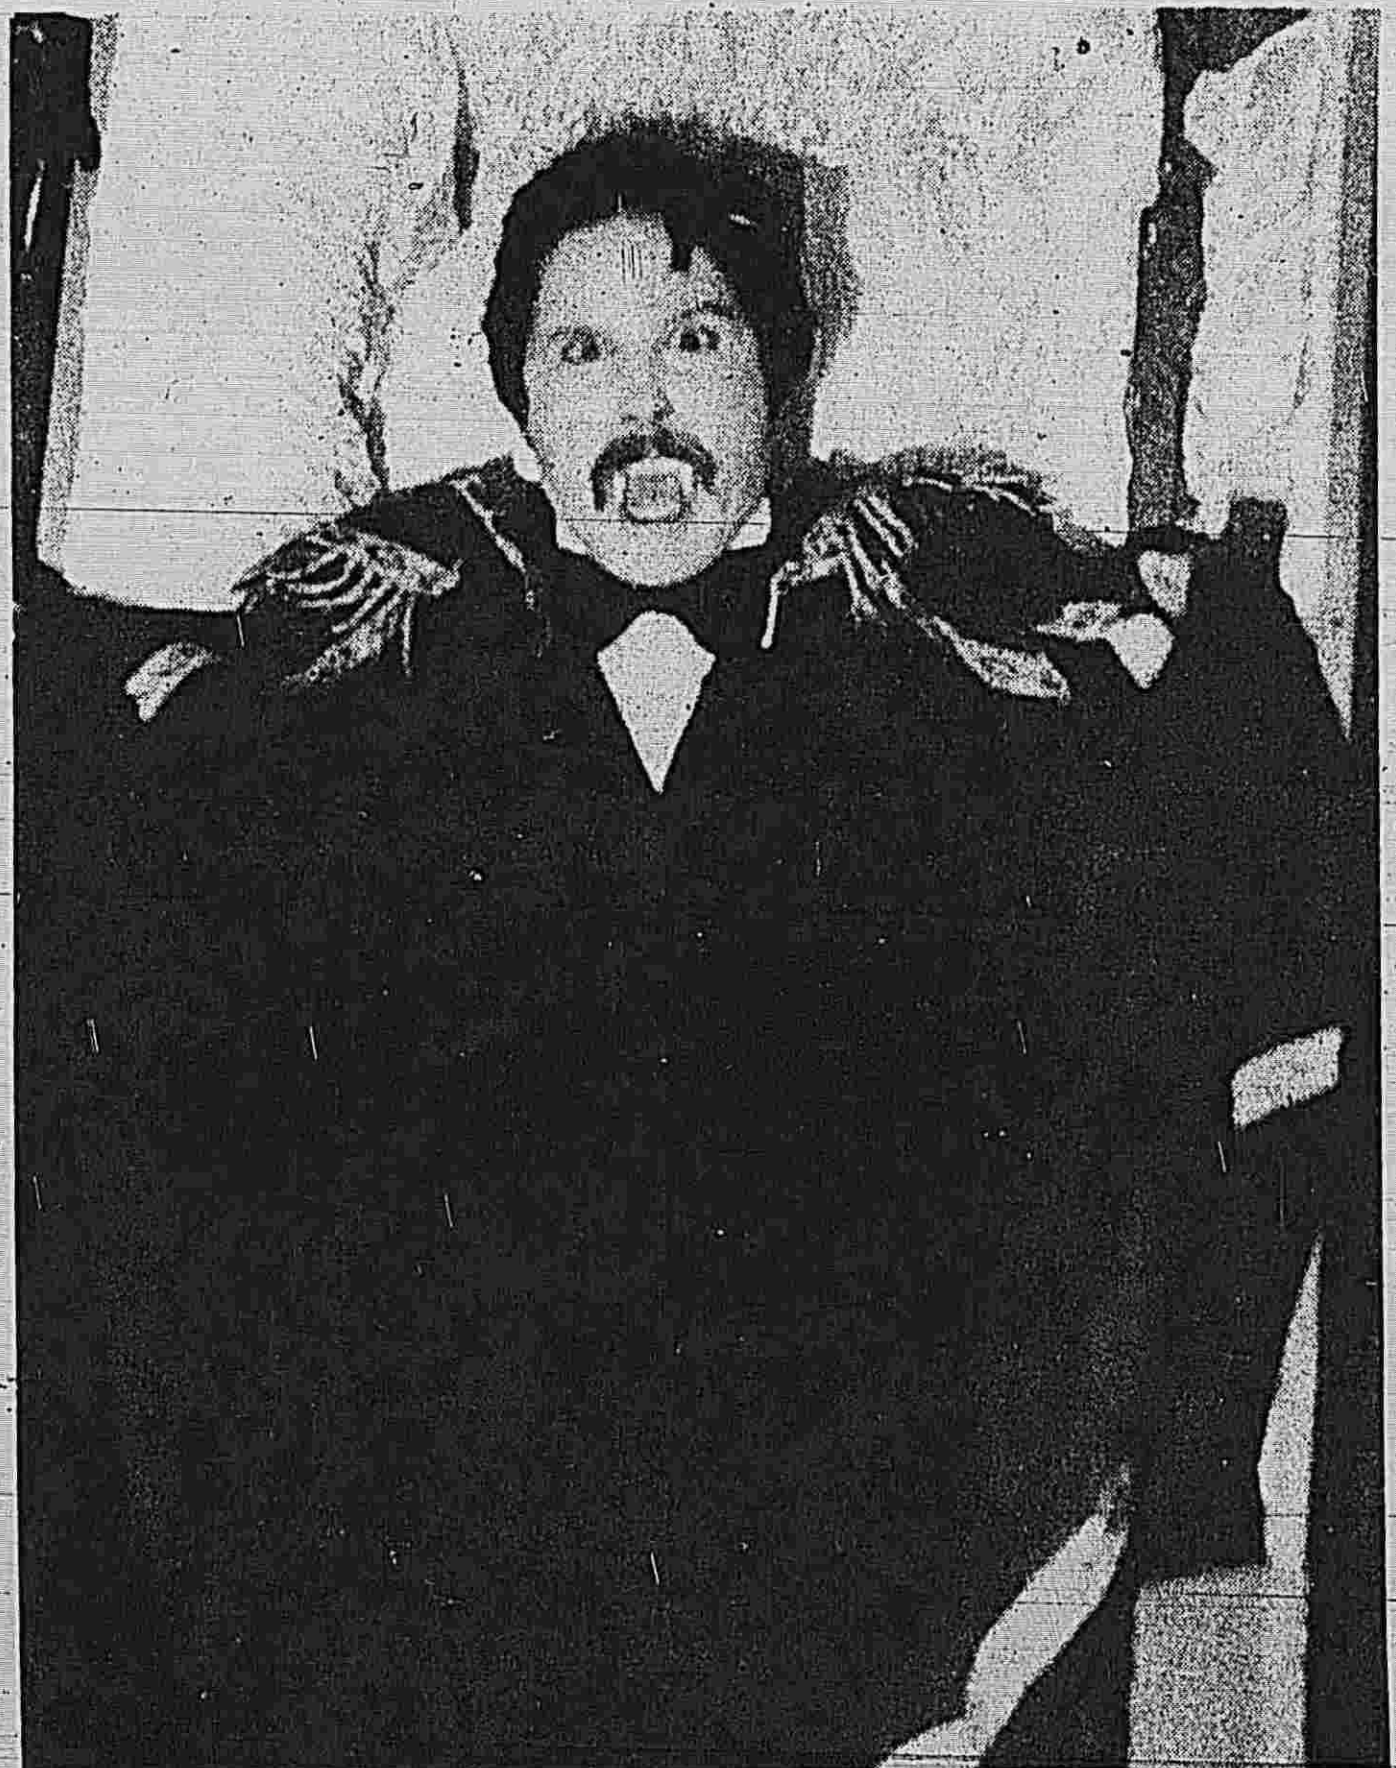

"We want to thank everyone in the community for responding so generously and we also want to thank all the volunteers who helped us and the businessmen and others

who helped underwrite the candy cost," he said.

A total for the state is being compiled at this time by the Lions of Illinois Foundation, 1515 N. Harlem Ave., Oak Park, the administrator for Candy Day and the non-profit charitable arm of the Illinois Lions Clubs.

The total will come from figures supplied by the state's 33,000 men in 870 Lions Clubs.

The state wide goal was \$1,250,000. Candy Day money is used to help the blind, visually handicapped, deaf and hearing impaired.

Residential school closings disturb salons

"A serious condition exists in our area if not statewide. It involve the future residential schools for the mentally retarded and developmentally disabled," said State Sen. Karl Berning, (R-Deerfield) and State Rep. Daniel Pierce (D-Highland Lake) in a joint news release.

"A series of residential school closings has occurred and more appear to be imminent. Better understanding and cooperation must be generated between the operators, the several involved departments of state government and the federal government.

"Primarily, adequate funding has to be provided by the

state of Illinois and U.S. Government or the unrealistic restrictions on parent or guardian support payments must be changed.

"Burdensome rules and regulations and useless paperwork are a financial as well as personnel drain and need to be eliminated or severely revised," they said.

"We can longer sit idly by, we must act decisively and quickly before additional tragedies for patients, parents and operators occur. Therefore we, are calling a meeting for Oct. 24 at 1 p.m. at the Deerfield Village Hall.

Yule theme contest draws creative entries

Entries for the Christmas Story Contest will be accepted in three age categories. Class I will be children, ages five to eight. They will draw a picture on 8 1/2 by 11 inch white paper on the theme "Christmas At My House." Drawings may be done in crayon, marker or pen.

Class II will be for children ages nine to 13. They are asked to submit a theme, 500 words or less, on "The Meaning Of Christmas."

Class III will be for ages 14 to adult and will be a theme, 500 words or less on "What Christmas Means To Me."

First, second and third place prizes will be awarded in each category as well as one grand prize. Entries are eligible to win only one prize.

Deadline for entry is Dec. 1, 1980 and entries may be mailed or dropped off at The Antioch News office.

All entries must have name, address, town, category entered and phone number on them. Themes and pictures will not be returned and all entries become the property of The Antioch News.

Decision of the judges is final and entries will be based on originality, creativity and neatness of

presentation.

Entries to the contest must be appropriate to the theme. Winners will be notified by mail and winning entries will be published in The Antioch News in the issue of Dec. 18.

Entries can be sent to The Antioch News, 952 Main St., Antioch, Ill. 60002.

In addition to the Christmas Contest, The Antioch News will be working with the U.S. Marine Corps Reserve to promote the Toys For Tots program.

Local merchants and residents are encouraged to donate toys for the needy at any The Antioch News office.

The Antioch News and the U.S. Marine Corps are looking for new toys to ensure that every needy child in the county has a toy for Christmas.

Last year's Toys For Tots campaign fell short of its goal and this year the need is greater than ever.

Toys are picked up by the Marines at dropoff locations such as The Antioch News office throughout the county and delivered to agencies for the needy who wrap the toys and deliver them to needy children in time for Christmas.

CONTEST WINNERS CLAIM

All winning entries in the Antioch News' Football Contest must claim their winnings from the office of the Antioch News within two weeks from the time that their prizes are announced.

VOTER INFORMATION GUIDE

WILL YOU HAVE A PROBLEM GETTING TO THE POLLS?

If you are going to be out of the county on November 4th and unable to vote in your precinct Polling Place, you may vote by Absentee Ballot. All Township and Village Halls, Hospitals and Nursing Homes have Applications for Absentee Ballots. Most Precinct Committeemen can get one for you. The County Clerk will mail you one if you ask. (689-6628).

When you have completed the Application, return it to the County Clerk (18 N. County St., Waukegan, Ill. 60085). Within a few days, you will receive a ballot and instructions on its use. All mail applications must be received before October 31st. After the 30th, we are not permitted by law to send a ballot.

When you receive your ballot by mail, vote it, complete the certificate, and return it promptly to the County Clerk (18 N. County St., Waukegan, Ill. 60085). We must receive it no later than Election Day, November 4th, for it to be counted.

If it is more convenient, you may vote absentee in-person, in the County Clerk's Office at the County Building during the 40 days before the Election. Absentee voting is available there between 8:30 A.M. on Thursday, September 25th and 5 P.M. on Monday, November 3rd.

If you anticipate being unable to vote for reasons of temporary ill health or hospitalization, you may vote in advance (as indicated above) with the additional requirement that your doctor must sign the Application for Ballot.

If your physical disability is permanent, however, you may wish to register with the County Clerk to receive a Disabled Voter's Identification Card which will permit you to vote an Absentee Ballot without having to obtain your doctor's signature each time. The Disabled Voter status is valid for 5 years and once registered, you will receive an Application for Absentee Ballot automatically for every election conducted during that 5-year period -- and no physician's signature is necessary during that time, except on the original application.

Only a registered voter can receive Disabled Voter's status. If you are physically disabled and therefore unable to go out to register, call the County Clerk's Office, and they will send a registrar to your home. (689-6628).

The STRAIGHT PUNCH:

Page 3 of the ballot booklet contains the names of the seven political parties fielding candidates for national office in Illinois. This page makes it possible for voters to cast a "straight" vote if they choose. A punch next to the party of your choice gives a vote to every candidate of that party.

If you wish to vote for MOST of the candidates of a particular party, and "cross over" for individuals of another party, you may punch on the straight party page and then punch for individual candidates of another party. You will then be "splitting" your vote.

WHY THE DATA MAILER?

Many of the registered voters who received the "Data Mailer" this past summer, have expressed their feelings about the piece in words that were loud, clear and monosyllabic. Some refused to return it; some were intimidated and did not return it; about 80% of those to whom it was mailed did, however, return it. Why did the County Clerk send this mailing to "harrass" the voters of Lake County?

As of December 1, 1980, all elections (including municipal, township, school board, library trustee, etc.) will be consolidated under the County Clerk. There will be 5 elections during each 2 year period (March and November of the even-numbered years and February, April and November of the odd-numbered years). There will be NO little, invisible elections or referenda to surprise you with their result anymore.

In order for the County Clerk's office to handle this new (to them) responsibility, all the boundary inconsistencies and irregularities had to be documented and evaluated. The tax code was used for this purpose. New registration records for every registered voter had to be created.

Are we telling you more than you wanted to know?

The law requires the Clerk to "purge" the voter file every two years of those who have moved or died. Canvassers could have been sent to every home -- the law envisions one Republican and one Democrat as a "team". That seemed a prohibitively expensive way to "prune" the file. They opted for the Data Mailer, cheaper by far than the canvassers, and fulfilling certain specific requirements for Election Day. (Note how the Election Judges complete the form when you go to vote and the various items of information that are available to them from that record).

We do recognize, however, that we did not create the best "mousetrap" the first time around, and there is a better one in the works, with clearer instructions to facilitate its use. Cheaper too, postage wise. We've learned a lot from the initial mailing, and the forms we got back will be put to good use on November 4th. Those who did not send them back will be able to vote in their regular Polling Place by signing something we call the "facsimile" Precinct Registration Record.

The vehemence of some of the comments was unsettling to us, however. The form was, in many ways a marvel. We could purge our file and prepare for Election Consolidation, confirm our voter roll -- all at relatively modest expense -- and we only asked that the registered voters read, sign and return the form mailed to them.

Perhaps this full (fuller than you wished?) explanation of the form and its development will add a dimension of understanding to your trips to the Polling Place in future. Unfortunately, government suffers from the fact that no one is particularly interested in understanding its problems. Maybe all that's needed is better -- more direct -- communication. Like this?

MAPPING OUT THE ELECTION

The three maps of Lake County reproduced here show the boundaries of the political subdivisions which will figure in the November 4th General Election.

The first illustrates the boundaries of the two Congressional Districts in the county. The 12th continues into Cook County, encompassing several townships there. The 13th continues west to include the southern half of McHenry and the northern half of Kane County.

The map which illustrates the 3 Legislative Districts shows the entire 31st District, an incomplete 32nd District (incomplete since it also includes a small portion of McHenry County), and a small section of the 2nd District.

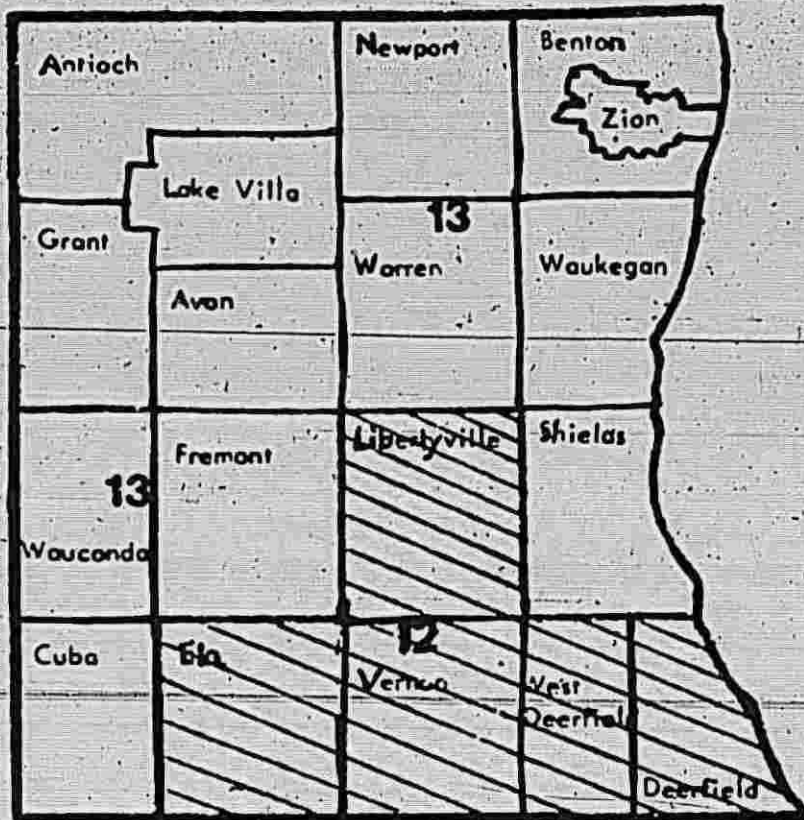

The County Board Map indicates the five equal population districts, each of which will nominate representatives to the County Board. Each of the five districts has five Members on the Board, 2 or 3 of which are to be elected in 1980.

Because of the irregularity of its boundaries and the small scale of the

maps, we have not illustrated the boundaries of the North Shore Sanitary District which will nominate candidates for Trustee from three of its five wards at this General Election. Those 3 wards cover most of Waukegan, Shields, Deerfield and West Deerfield Townships.

In order to understand the reproduced ballot pages which follow, locate your political address by finding yourself on the maps. Note your Legislative and Congressional District numbers. As you examine the ballot you will be able to identify those pages which will be voted on by residents of YOUR political address. For instance - if you live in Vernon Township, your political address would be the 12th Congressional District, the 32nd Legislative District and the 5th County Board District. The districts and numbers are listed vertically.

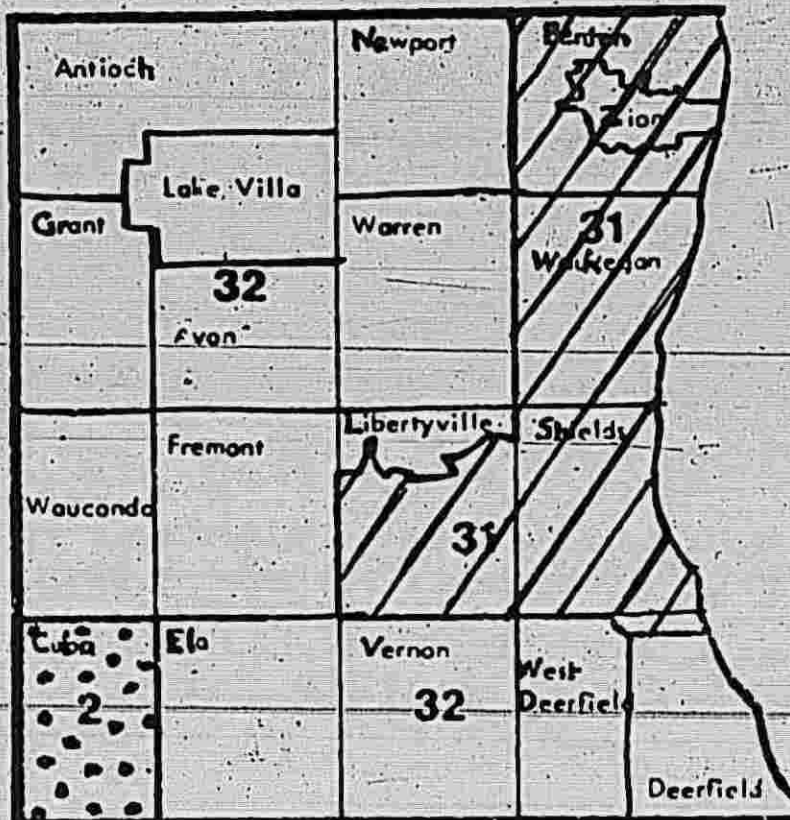

Go ahead - find your candidates - - and vote in the General Election on Tuesday, November 4th!

Congressional Districts

The map reproduced here shows the boundaries of the 12th and 13th Congressional Districts as they are represented in Lake County. Representatives in Congress serve two year terms and are, therefore, elected at every even-numbered year election.

The 12th District includes, besides the 5 Lake County Townships shown here, an area nearly twice as large, in Cook County to the south. The 13th District continues west to include the southern part of McHenry County and the northern half of Kane County.

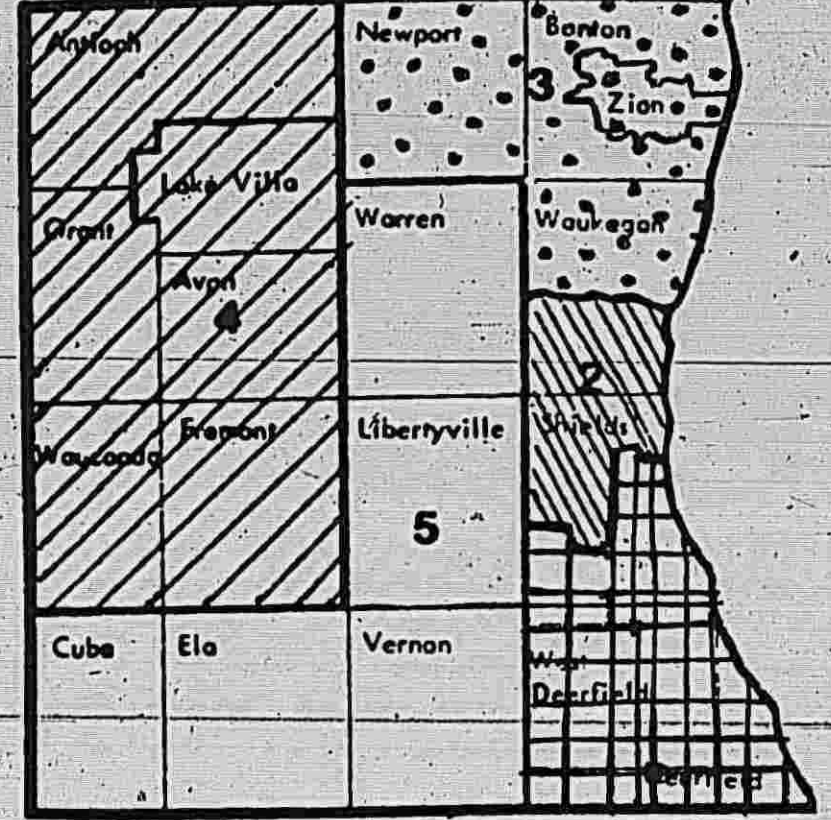

Legislative Districts

Parts of three Legislative Districts are included on the Lake County map shown here.

The 2nd Legislative District covers only one township for Lake County voters-Cuba. The 31st District, on the other hand, is entirely within Lake County, while the 32nd continues west to include a small piece of McHenry County.

When voting for State Representatives, Illinois Voters have a unique procedure available to them. The Voter enters the booth with three votes "to spend" on that office. The Voter may punch one time only, thus giving the recipient 3 votes; or he may punch for two candidates, giving each of them 1½ votes, or he may punch for 3 candidates, giving each 1 vote. This is "cumulative voting" and serves to insure minority representation in every district, no matter how lopsided the party affiliation may be.

County Board Districts

The County Board is composed of twenty-five members elected from five districts as shown on the map. The four year terms overlap in such a way, that on November 4th, voters in Districts 1, 2 and 3 will be electing three members, while those in Districts 4 and 5 will be electing two members.

HOW TO USE THE VOTE RECORDER:

Once you have established that you are the person whose name you have signed to the Application, the Election Judge will give you a Ballot Card and Ballot Envelope (which she has initialed) and direct you to a Voting Booth where you will be able to make your candidate selections in privacy.

Insert the ballot card into the "throat" of the Vote Recorder (see illustration below) with the numbered grid facing up. (If the words "Wrong Side" are facing you, take it out and start again). With two hands, gently insert the card until the two holes in the ballot stub are hooked over the two plastic knobs of the Vote Recorder. You are now ready to vote.

Taking the pages one at a time, and using the stylus which is attached to the Vote Recorder, punch in the hole next to those candidates and those public propositions which you support. Hold the stylus in a vertical position. Do not (ever!) use a pencil or a pen to vote-and-punch straight down. You will be punching out a "chad" in your pre-scored ballot card.

When you have concluded voting every page, turn the ballot booklet back to the beginning for the next voter, and gently remove your ballot card from the Vote Recorder. Do not detach the stub from the card.

If you wish to cast a "Write-In-Vote" (that is to vote for someone whose name is not in the Ballot Booklet) - - and if you have not already punched a vote for a candidate for that office, you may write your vote inside the Ballot Envelope. The Instructions will be posted in your voting booth. On the line labeled "Office" write the name of the office; on the next line, write the name of the candidate for whom you are voting - and in the box to the left of the name, make an "X". A write-in vote should look like this:

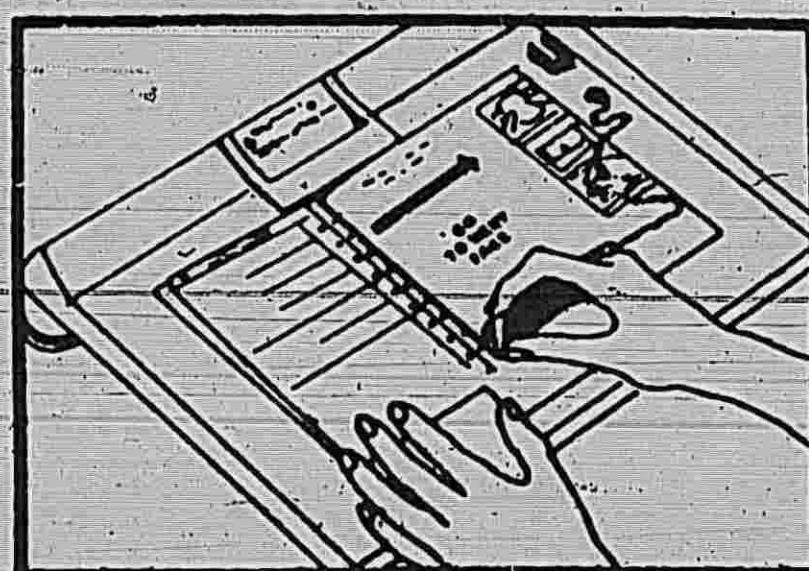

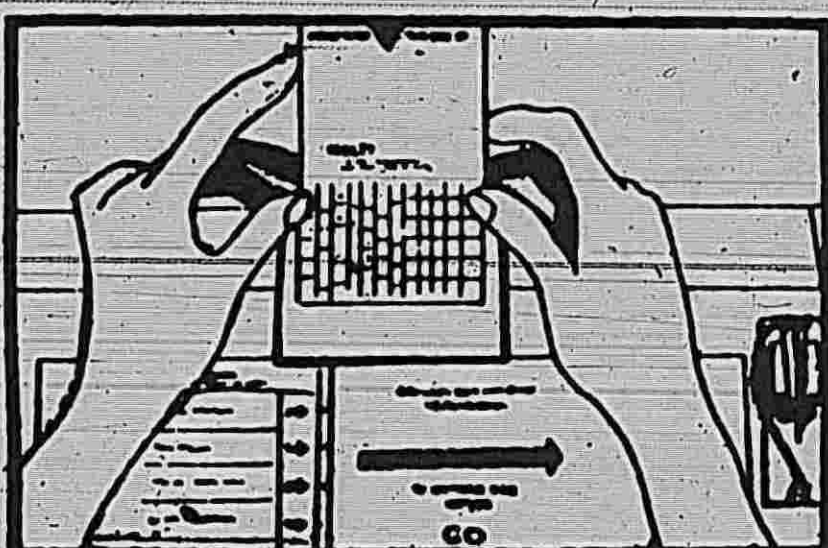

For Judge of the Supreme Court

☒ Oliver Wendell Holmes

When you are all finished punching, writing in, whatever, place the Ballot Card inside the Ballot Envelope (under the flap) for privacy, and leave the booth. Hand your ballot, still in its envelope, to the Judge at the Ballot Box and watch while she removes the stub. She will deposit the card & envelope in the Ballot Box, and give you the stub.

If you happen to make an error and catch it in time (that is before the ballot has been deposited) you may turn in your "Spoiled" ballot for a fresh one and start again.

As you examine the ballot pages which follow, locate your political address by finding yourself on the maps. Note your Congressional and Legislative District numbers. As you examine the ballot pages, you will be able to identify the pages which YOU will vote on November 4th, by checking for the correct political district numbers for your area.

AMEND SEC. 8 OF ART. IX OF THE CONSTITUTION	
The proposed Amendment deals only with the problem of long-term tax delinquency on commercial, industrial, vacant non-farm, and large multi-unit residential properties. It has no effect on single-family homes, farms, or apartment buildings containing 6 or less units.	
The present Illinois law attempts to place long-standing tax delinquent properties back on the tax rolls after 5 or more years of non-payment of property taxes by the owner. To this end, the county treasurer conducts an auction, or "scavenger sale", at which the high bidder receives a tax sale certificate.	
Following the scavenger sale, the Constitution now guarantees the delinquent owner 2 years to redeem or buy back the property. The high bidder cannot obtain title to the property until after this 2-year redemption period has elapsed.	
The proposed Amendment would allow the General Assembly to reduce the 2-year redemption period to no less than 90 days following the scavenger sale.	
Punch the number opposite "YES" or "NO" to indicate your choice.	
AMEND SEC. 1, 2, AND 3 OF ART. IV OF THE CONSTITUTION	
The purpose of the Amendment is to reduce the size of the House of Representatives from 177 to 118 members and to provide for the election of one Representative from each of 118 districts.

Letter To The Editor

Where Are Young Voters?

Editor:

I read your article in this week's paper on times are changing in county politics. One particular point was made on which I totally agree.

This will be my third year serving as an election judge in Antioch Township. I consider myself in the category of "young voters." But in my precinct I was one of very few. I was truly shocked to see that the number of voters between 18 and 30 who came to vote was just a very small handful.

Yet you would see senior citizens who can't drive, find themselves a ride to get in and vote, even elderly people with crutches and walkers made it in to vote.

And yet these people seem very confident

that their vote was important and would count. You can also see how proud they are that they can vote.

I was amazed by these people who had to go through so much to cast their vote, and yet at the same time embarrassed by my generation for such a small turnout.

I realize that this is a presidential election and we will probably have a larger turnout of voters at least I sure hope we do. But our vote in this election should be just as important as a vote in our other elections.

Please! don't let me be one of very few young voters who cast their vote on Nov. 4.

Please take pride and determination in voting as our older generation does.

Hope to see you at the polls!

Linda Pedersen

Basketball players needed

Antioch Parks and Recreation boys basketball is due to start on Nov. 25 and the parks and recreation program organizers are very disappointed at the turnout.

The program is a great one for the boys that want to play basketball in a game

situation but are unable to do so through their school.

There are six teams but not enough boys to fill openings, coordinators are also looking for fathers that would like to coach or young men that are interested in basketball and would like to coach a youth team.

The games will be held every Tuesday night at the new Petty School gym, starting at 6 p.m. and lasting until 8:30 p.m.

Anyone interested in playing please call the Park anytime between 9 and 4:30 p.m. and 9 to noon, Saturday.

Legion auxiliary will meet

Antioch American Legion Auxiliary Unit 748 will hold its regular meeting Monday, Nov. 3 at the Legion Hall. The legislative chairman will be reminding the members to get out and vote on Election Day.

As citizens, we have this right and privilege, but statistics show that far too many of us do not exercise this right. It is also our responsibility, so learn all there is to know about the various candidates and their platforms, and vote on Nov. 4.

Unit members will also be informed on the annual Christmas Caravan to the Children's

Homes in Lake County.

Donations from Antioch Unit are included in giving all children under 18 years of age individual gifts, or, if the institution prefers, larger gifts are taken for the use of all the children.

Members from the posts and units in Lake County gather early in December to motor the various Homes, accompanied by Santa Claus. Gifts, baskets of fruit, candy, nuts and marshmallows are distributed along with the enthusiastic singing of all the favorite Christmas Carols.

Antioch Teens urged to enter Miss Teen-Ager contest

Scholarships, and other prizes await the winner of the 1981 Miss Illinois National Teen-Ager Pageant which will be held at the beautiful Holiday-Holidome, Decatur, Illinois, April 24, 25, 26, 1981.

Teen-age girls between the ages of 13 and 18 years of age are invited to participate in the 10th Annual State Preliminary to the Miss National Teen-Ager Pageant.

State pageants are held in participation with 41 colleges and universities and more than \$400,000 to be awarded in cash, tuition scholarships and awards in the 1981 pageants in 50 states, D.C. and Puerto Rico.

THE REIGNING Miss Illinois National Teen-Ager, Melissa Vogel of Westville, will crown her successor. Melissa placed in the top 10 at the 1980 Miss National Teen-Ager Pageant held in Ft. Myers, Fla. in August 1980.

The 1981 Illinois winner will receive a \$600 cash scholarship to the college of her choice, a \$4,000 tuition scholarship to Eureka College, Eureka, Illinois, an all expense paid six day trip to the National Pageant in Ft. Myers, Fla., August, 1981, and other prizes.

She will have an opportunity to compete for up to \$20,000 in cash scholarships, a Mazda Automobile and fabulous prizes at the National Pageant.

THE PROGRAM is nationally syndicated for television.

Illinois contestants will also be vying for a \$4,000 scholarship to Eckerd College, St. Petersburg, Fla., which is awarded to the winner of the State Citizenship Award and a further opportunity to compete for regional and national scholarships up to \$20,000.

Judging is based on scholastic achievement, personality, poise and appearance, and leadership. There is no talent or swimsuit competition.

Each contestant will participate in the Volunteer Community Service program which is designed to promote teen involvement and participation in Community Service Affairs.

Chicken, bazaar Nov. 7

Annual Bazaar and Roast Chicken Dinner will be held Friday, Nov. 7, at Millburn Congregational Church, Rte. 45 and Grass Lake Rd., Millburn.

Mayor's Father Thomas Haley passes away

Long time Antioch resident, Thomas F. Haley Jr., 70, died on Sunday Oct. 26 on arrival at Victory Memorial Hospital, Waukegan.

Haley was born in Chicago and moved to Antioch 31 years ago where he and his wife, Ursula raised 14 children.

He worked on color type for a firm in Chicago, retiring in 1969.

An active Irish Catholic, Haley was a member of St. Peter's Church where he served as an usher for many years. He was also a 50 year member of the Knights of Columbus and a charter member of the Father Henderson Council of the K of Cs, and a member of the Bishop Quarter General Assembly Fourth Degree of the K of Cs.

Visitation was held at Strang Funeral Home, Antioch, on Tuesday, Oct. 28 and a funeral Mass will be held at 11 a.m. on Wednesday, Oct. 29, at St. Peter's Church.

Haley was preceded in death by his wife Ursula in 1978 and his son Daniel, who died on Aug. 30 of this year.

He is survived by eight sons, five daughters, 24 grandchildren and five great grandchildren.

The sons: Thomas, William, Michael, Clement, Gerard Edward, James and John all live in Antioch and Michael is Antioch's mayor.

The five daughters are: Elizabeth Patterson, Zion; Margaret Dokmanus, New Jersey; Mary Malick, Antioch; Rita Garvey, New Jersey and Shiela Haley, Antioch.

Haley is also survived by three brothers and two sisters: Edward, Walter and James, all of California and Catherine Owens, Rock Lake, Elizabeth Rathunde, Chicago.

DECORATING AWARDS

One of the special activities planned by the retail committee of the Antioch Chamber of Commerce and Industry is the residential home Christmas decorating contest in which the prizes will be a \$100 savings bond and a \$50 savings bond.

CANKER SORES

The canker sore (or aphthous ulcer) is one of the best known and most persistently annoying dental lesions. It is small and whitish and may occur on the gums, cheeks or tongue. It appears singly and in clusters. A blister usually forms first, without notice; then breaks to form an open sore or canker. Then the acute pain begins.

The open canker sore is especially sensitive to touch and to hot or spicy foods. Fortunately, the lifetime of the canker sore normally runs its course in about a week or ten days.

No good treatment is known for its cure at present. There's not much you can do except to make sure you avoid irritating foods. Some people are especially prone to canker sores. They seem to run in families and there may be a connection between canker attacks and emotional stress, though there is still no definite information on the cause of this puzzling disorder.

A dentist can treat canker sores to relieve the pain. However, certain kinds of cankers tend to persist or come back in spite of any treatment now known.

An evaluation of diet is indicated.

ACHS Class Of Reunites

The Antioch High School Class of '45 held its 35th reunion at Joe and Helens Little Acres, Sat. Oct. 25.

There were 43 members present. Among those who traveled the farthest distance were Louise Elms Bothe, Ken and June Krueger and Coach Carl and Pat Wolfenbarger.

A tribute was made to Hans Von Holwede led by Mabel Lou Hunter Weber, singing the Antioch High Spirit song, followed by one of the school's favorite cheers.

Movies from the years 1942 and 1943 were shown by Stewart Good.

A good time was had discussing the good old days and catching up on the past 35 years.

Knights honor charter members

Sunday, Oct. 19, 1980 was a festive and honored occasion for the Knights of Columbus, representing The Father Henderson Council 3800. The noon Mass at St. Peter's Church commenced the celebration with The Grand Knights in full traditional dress.

Following the Mass celebration, members, their families and friends attended the dinner in Father Frawley Hall.

There was a presentation of various Certificates honoring the members with Life Memberships to the Council, Chartered Members and pins were presented for distinguished services. These presentations were made by the Program Director, Ted Burbridge.

The recipients of the 25 year pins and chartered members' certificates were: Tom Haley, Lester Hamlin,

Rudy Eckert, Irving Casey and Bob Berg.

Followed by the presentation of certificates for the Past Grand Knights to Ray Weir, Bob Berg, Bill Jones, Woody Kelly and Lee McKenny, at which time past Grand Knight, Lee McKenny also received a gavel recognizing his 25 years service to the council.

Next the honorary lifetime members received pins and certificates with congratulations extended to Father Hanley, Father Lynch, Les Hamlin, Tom Haley, Rudy Eckert, John Halas, Dr. Wilfred Byron, Ralph Thompson. Short ceremonial speeches highlighted the presentations and commendations by the District Deputy, Tony Pompario, Stanley Saluta and Ted Burbridge, who emceed the program in the absence of Grand Knight Sam Lombardo.

A list of appointed offices of members was read to the members in the final portion of the ceremony after which the assembled group of more than 100 people enjoyed the spectacular buffet which was hosted by Mrs. Ted Burbridge and Mrs. Edward Nemecek along with the many assistants and friends who were responsible for the fine display and contributions to the "Table of Plenty". The centerpiece cake commemorating the 25 year celebration was made by Mrs. Ted Burbridge.

The Knights of Columbus are an inspiration of the success and progress made in the past and an indication of why the town of Antioch is one of the front runners in Lake County for its backing of many active organizations.

Carmel to hold open house

On Sunday, Nov. 9, Carmel High School for Girls and Carmel High School for Boys will host an open house at the school located in Mundelein.

Doors will be open from 2 until 5 p.m. for prospective students and their families, and for anyone else who may be interested.

The open house is designed especially to help September, 1981 freshmen become acquainted with Carmel.

Carmel is a four-year Catholic High School for both

boys and girls serving all of Lake County. County-wide bus transportation for the school is provided through the RTA and cooperating school districts.

Carmel is in its 19th year of operation with an enrollment of about 700 girls and 700 boys. There are 75 to 80 per cent of all graduates who have chosen to continue their education in college; yet Carmel provides a balanced academic education for the student who may not wish to attend college.

Visitors to the open house should use the main entrances to the school at the north and south ends of the building. Faculty members and students will be available to conduct tours and answer questions.

Registration and placement testing for new students will be held on Saturday, Jan. 10, beginning at 8:30 a.m.

Carmel is located on Rte. 176 between Libertyville and Mundelein.

JOHN B. ANDERSON FOR PRESIDENT

When John B. Anderson realized that the candidates of the two major parties would again provide the American voter with a choice between the lesser of two evils, he made a courageous decision to run as an independent and to provide America with a campaign in which issues and specified policies would preempt campaign rhetoric and transcend partisan politics. John B. Anderson understood that American life is too complex for any one candidate to agree with all voters on each and every issue, but he believed wholeheartedly that the intelligent American voter would overlook certain differences of opinion to support a qualified candidate who would honestly state positions and policies regardless of the popularity of such a stance.

A vote for John B. Anderson expresses the voters' belief that America should select more qualified, issue-oriented candidates. Anything less is truly the **wasted** vote.

John B. Anderson has provided an alternative - a vote for him will better America.

No more tax on coupons

On Sept. 29, the Illinois Supreme Court ruled that sales tax is not to be charged on the value of coupons issued by a retailer which are used to purchase merchandise at reduced prices, distributor or other source.

The discount coupons involved are those furnished to the general public through newspaper advertising and mailing circulars (i.e., grocery store sale coupons, restaurant "two for one meal" coupons, automobile garage "service" coupons, etc.).

Affected retailers will now charge tax on the amount actually received, not including the value of the coupon. Retailers should neither include the value of coupons in item one (gross receipts) nor reflect the value of coupons as a deduction in item two on pages two and four of the Retailers' Occupation Tax return (RR-1-A).

Retailers who have routinely absorbed all or part of the tax on store coupons or who have refunded such tax may apply for credit memoranda within the current statutory period if they can show proof that they bore the burden of the tax. Retailers who continued to charge tax on the value of the discount coupons and have not refunded such tax to their customers must report such tax as overcollections on the tax returns are subject to serious penalties for violation of the

Retailer's Occupation Tax Act.

The Supreme Court Decision is not applicable to "vendor" coupons wherein manufacturer/distributors monetarily reimburse retailers for the redemption value. Reimbursement for handling expenses is not considered to be a part of "gross receipts."

Questions regarding this decision may be directed to the Illinois Dept. of Revenue, Taxpayers' Service Unit, Chicago 312-793-3196; or Springfield 217-782-5790.

When I think about it Curing just one illness doesn't stop an epidemic

by GLORIA DAVIS

As I was on my way to work today I heard a news report on the possible imminent release of the Iranian hostages and the popular consensus on that release's effect on the outcome of the presidential election.

In fact when this column is published that release might already be a reality.

It seems that most of those "in the know" are betting that the release of the hostages will put Mr. Carter back into the White House.

Speaking not only as a mother, but just as a human being, my heart goes out to the hostages and their loved ones and I think that everything within reason should be done to bring these "victims" home.

But I also think that our national interest and just plain moral standards should definitely be taken into consideration.

This situation seems to be no different than any other kidnapping, or blackmailing in that the demands of the perpetrators of such deeds cannot be met, even at the cost of human lives, since their success would only perpetuate and add fuel to the growth of other such despicable acts.

If one kidnapper receives his ransom, which is exactly what the Iranians are asking for, where will it stop?

In the Iranian situation we are talking about 52 precious lives, but if the Iranians are allowed to get away with this bit of infamy, the next time it will be 100 or maybe 1,000 people held hostage to force us to do heaven knows what.

I equate the attitude that the United States should compromise its principles to bring the hostages home, to the ever growing universal permissiveness that just might bring about another Sodom and Gomorrah.

In other words, not only does the end justify the means but let's permit a little wrong doing (and that's like being a little bit pregnant) so that maybe those involved won't go on to the "big one."

Likened this to the parent that would rather

have their child drink instead of take dope.

This, in spite of the fact that history tells us that all the infamous villains, since time began, started small.

Blaming the "punisher" instead of the "punishee" is akin to being mad at the cop who arrests the criminal.

What happened to the original "the hostages must be returned with the United States meeting no conditions?"

It's quite a test to world attitude when a small country like Iran can tell the powerful United States what to do, especially after committing a criminal act.

What really blows my mind is that there is a possibility that our giving in to them might put the person who could have prevented the happening in the first place, who didn't react quickly enough, when such reaction might still have rescued the hostages, back into the highest position in the country.

Why don't we just run world-wide advertisements saying "step on us, please!"

For you people who are afraid of starting a war, no sane American, or for that matter, sane human being, would purposely start a war in this nuclear age.

The person who is really most dangerous in that instance, is the one that helps to make us appear weak and vulnerable and willing to buckle to the least threat.

I really don't want to believe that the American voter would be foolish enough to let this overshadow our real problems of high inflation, lagging economy, unemployment, high crime rates and loss of world respect and prestige.

What the present administration has done about these things can easily be seen, what the challengers will do, we can only judge by their past records and by their promises, but these at least give us a little hope for the future.

Can we really let one good result put us right back on the downhill side? Can we possibly let the return of 52 hostages make our children hostages for the future?

GAY SVEN

Woman Behind Antioch Man Gay Sven:

'Take life as it comes'

by GLORIA DAVIS

I thought I had met many busy and involved gals in doing this series but the busiest and most involved of all to date turns out to be Gay Sven, wife of dentist Dr. Robert Sven one of the leaders of Antioch's medical community.

Just to show you how busy this lady is, she was late for our appointment because she had to leave her busy administrative office to nurse her six month old baby.

Gay is her husband's business administrator for both the Antioch and Fox Lake dental clinics, is mother and homemaker, not only for her just as involved husband and new baby, but also for her other three teenage children.

She is also busy in the summertime with her three Arabian show horses which her daughter and namesake Gay rides and shows, having won a regional western and pleasure championship last year.

Her winters are taken up with music as she plays first cello with the Waukegan Symphony Orchestra.

And in her spare hours she still attends classes working for a degree "besides an MRS." to quote this vivacious lady.

Her normally hectic life has been compounded since her allergies require the nursing of her baby for the first year. To make things more accessible, the Sven's have moved from their estate to a three room apartment near the dental clinic.

"Five people living in three rooms is really crazy," she says.

But they all do sort of spread out and relax back home on the weekends.

She even has found time for the community; she fell in love with first, because the word Antioch ment "beginning" and she took that as a good luck omen when her husband con-

sidered buying Dr. McDonald's dental practice in 1969, and secondly because any town whose entrance was as picturesque as the winding scene by the United Methodist Church "just had to be a great place to live."

The Brownies, Moose Women, Antioch Women's Club and the Lake Villa Methodist Church have all been on her activities list, while husband Bob has been involved with the Lions, the Rotary, the Masons between his first love, playing the trumpet.

If history in truth does repeat itself, it is personified in the life of the Svens from the time they met and became teenage sweathearts.

In fact they both worked while attending the University of Illinois and later Loyola Dental School.

They worked not one but two jobs each including weekends, she in the college's office, he on the docks, and both worked together on weekends when she waitressed to be with him while he played the trumpet.

To make sure their waking hours were even more hectic, the Svens had three babies by the time the he was in junior year at dental school.

What do they do for fun, well Gay considers her horses and her music her hobbies and the rest of the family are avid skiers.

Not to be left out, Gay says she is "The best lodge bunny around."

"I take life as it comes and get involved with things as they pop into my life," she says.

It seems that if this is the case, her life has become a regular popcorn machine of involvement with husband, children, business, community, music, horses, excuse me, while I rest a minute, just writing about all this busyness has tired me out.

Women's club hear tv writer talk on video commercials

The Antioch Woman's Club met on Oct. 20 at the Harbor Ridge Country Club.

The program for the day was "Are Tv Commercials Really As Bad As They Look?" by television writer and director Jarvis Rice.

He took the club behind the scenes of well-known companies and other tv productions showing how commercials are really made.

The hostesses of the day were Edna Ruck, Joan Larson, Jean Daniel, Veronica Gahlbeck, Margaret Martin, Susan Turner,

Georgia O'Malley, Eileen Zannini, Marguerite Nelson and Billie Horton.

The next meeting will be Reciprocity Day on Nov. 3 at noon at the Harbor Ridge Country Club.

It will be a potluck luncheon. Presidents of the Tenth District will be guests for the day.

The program will be the well-known humorist, Leona Toppel. She is a comedy writer, has done ghost writing besides many other trades and has been on radio and television.

For those of you that have been waiting to join the Antioch VFW until they had an official meeting place, it seems that they are now negotiating to buy the Antioch Action Barn for a post home.

A two-thirds post majority has already approved the purchase.

Fred Teckert and Lou Piller are two of those that are working on increasing memberships, they can be contacted at 395-2052 or 395-0164.

Veterans from all of the wars involving US soldiers are urged to join. Just \$15 and you receive membership, a paid \$1350 accident life insurance policy, and a welcome at any VFW post in the United States as a guest or if you are in need of help.

Just call Fred or Lou and they'll be glad to discuss a membership with you.

Auxiliary pledges program

With the beginning of a new American Legion Auxiliary year, Antioch Unit 748 lost no time in sending in their pledge to the seven point program. This program provides candy, parties, fresh fruits, etc. to patients in the various Veterans Hospitals. Canteen books are distributed monthly to patients who receive \$100 or less a month compensation. Insulin and vaponefrin are also available to those veterans financially unable to purchase these medications.

At Eastertime, veterans in hospitals, nursing homes, foster care homes and domiciliaries receive a gift or a canteen book. A Christmas Gift shop is set up where veterans (with the \$100 minimum compensation) may personally select gifts for their loved ones; have

them gift wrapped and sent to their homes at no cost to them. Each gift is valued at approximately \$5.

The American Legion Auxiliary has maintained a Veterans Craft Exchange in Chicago since 1937 (the only one of its kind in the nation). Veterans unable to hold regular jobs, due to physical reasons, but can do various kinds of craft work, send their items to the shop.

Auxiliary Units throughout Illinois maintain this shop with their donations and purchases of these veteran-made items. When the exhibitors items are purchased, he or she gets the entire price they asked for.

The Antioch Unit will be receiving a consignment of goods shortly. The Exchange is always looking for more exhibitors. People who know of a veteran, skilled in some kind of craft and unable to work outside his home, please call Dorothy Horan, 395-1292, and she will send for the necessary information and applications.

Americanism Chairman, Helen DeVries, is taking the rules for the 1980-81 Essay Contest "What My Country's Flag Means To Me", to the schools in the Antioch Area. There were a record number

of entries last year, and she is hoping to beat that record in 1981.

Membership Chairman, Zella Larson, says that all activities depend on membership. She is happy to report that most of last year's dues are paid, but the auxiliary is always looking for new, active members.

Membership is open to the wife, mother, sister, daughter or granddaughter of a serviceman in World Wars I, II, the Korean War or Vietnam War (from Dec. 22, 1961 to May 7, 1975), who is a member of the American Legion, a man or woman who was killed or died while serving in one of the above conflicts, or has died since being honorably discharged from service, or a woman veteran of the same above named wars.

The unusual form of payment came as a result of a bet between Bud Scott, who is dean of students at Grant High School, and Greg Johnson, principal of McHenry High School, West Campus, over who's high school football team would win in their recent encounter. Grant lost 27-7, and Bud had to pay up, and as previously agreed, Greg will donate the \$10.00 to his favorite charity.

OUT-DOOR WOOD

Wolmanized

Pressure-Treated Lumber

Bad news for termites, great news for homeowners

Outdoor® brand wood? Yes, you can get wood that is specially prepared for exterior use.

Outdoor wood is Wolmanized® lumber and plywood. It's ordinary wood—pressure-treated with Wolman® preservative chemicals so that it lasts for decades. It's resistant to decay and termites.

When you build a fence, patio, or any exterior structure, this is the beautifully practical material.

Considering how long Outdoor wood lasts, even if you don't paint it, or stain it, it's relatively inexpensive. Use Outdoor wood for your next project. You can be sure it will have the appearance and shape-holding qualities you expect because Outdoor wood is a high grade of material.

Be sure to look for the Outdoor® wood mark on each piece of lumber. If it doesn't have the mark, it isn't genuine Outdoor brand wood.

EXTRA GASP — Antioch's Gary Miller pulls in extra wind during final leg of Illinois High School Assn. district cross-country meet held Oct. 25 at College of Lake County, Grayslake. Miller placed 10th which helped Antioch advance, as team, to sectional on Nov. 1. — Photo by Doug Keeler.

Sequoit runners on to sectional

Antioch High School's Cross-Country team qualified for the Illinois High School Assn. sectional meet by placing third in the district meet Oct. 25.

Hoffman Estate won the meet with 36 points, Barrington in second with 64 points, Antioch in third with 127 points and Steamwood in fourth with 130 points.

All four teams will run in the sectional meet next Saturday Nov. 1, at Lakewood Forest Preserve in Wauconda.

Steward Alan of Barrington was the individual winner of the three-mile course in 15:10.

Antioch's first runner across the finish line was Robert Ottrn in fourth place

with a time of 15:27. Gary Miller was next in ninth place in a time of 15:50.

Alan Ware and Dale Plechaty ran to 32nd and 33rd place in a time of 16:36 and 16:38, respectively.

Senior Adam Venn was next in 49th place at 17:09, Chris William in 51st at 17:14

and John Rivera in 55th in 17:21.

This is Antioch's third trip in the three years to the sectional meet.

To advance to the State Meet a team must place in the top five teams in the sectional meet or be one of the top seven individuals.

Girl runners ready

Antioch High School's Girls Cross-Country placed fourth at the Rockford Guilford Invitational this past weekend.

Rockford Guilford won the meet with 26 points. Loves Park Harlem was second with 62 points, East Moline was third with 82 points and Antioch and Antioch was fourth with 89 points.

Leading the Sequoits was Donna Ruggles in fifth place with a time of 13:29 for the 2.1 mile race.

Gail Plechaty was in 17th place, Renee Starcevic in 21st, Pattie Friedman in 22nd, Dawn Wacki in 24th, Margaret Trychta in 25th and Nancy Harland was in 29th.

The girls will run in the state district meet this Friday, Oct. 31, at McHenry.

To qualify for the state meet, the girls must place, as a team, in first or second place or be one of the top five individual runners.

Frosh runners win!

Antioch's Freshman-Sophomore cross-country team ended its season with a 15-50 victory over Lake Zurich Oct. 16.

This win gave the young Sequoits a 6-1 conference record, good for a tie for the conference title.

Leading in the victory was Ed LaPlante covering the three-mile course in 19:04.

Dave Mannice was next in 19:21, followed by Matt Ellis in 19:44.

Joel Frier finished in fourth at 20:07, Art Neubauer in fifth at 20:25, Ken Sanduck in sixth at 20:34 and Matt Livatek in seventh at 20:36.

Other finishers were Joe Mirowski in eighth, Scott Miller ninth, Robert Nelson in 12th, Joey Massie in 14th and Lance Jorgenson in 15th.

Sequoits muzzle Bulldogs, win three out of four

It is down to Halloween Night for Antioch and the two teams which shared the Northwest Suburban Conference last season will be battling it out at Warren High School in Gurnee.

This time the stakes are somewhat different. Should Antioch win, they complete the season with a 4-5 overall record, 4-3 in the NWSC. Warren, on the other hand, is after an unbeaten 7-0 mark in the NWSC and the outright championship. They have already clinched a playoff spot.

The game is scheduled for 8 p.m. Friday, Oct. 31.

"THEY SHOULD be sky high," said Steve Wapon, Antioch head coach about the Blue Devils. "They're coming off a big win over Round Lake (27-12) in which they played exceptionally well."

Gary Joy, in his first start at fullback for Warren, looked extremely well and is a prime target of the Antioch defense this week.

They can not put too much concentration on the 5-9, 220 pound junior, as senior tailback David Cox also is a big threat in the Warren offensive backfield.

And if that is not enough for the Antioch players and coaches to think about this week, Warren also has one of the best defenses in the county and will present quite a challenge for the Antioch offense.

"We have to control their

Vikings win first place

Dave Walsh, junior defensive safety for Antioch also had a good game in the secondary.

The Sequoits showed a lot of offensive power as they moved the ball well, rolling up 413 total yards. A lot of that was due to the fine running by Kotlinski and Pomazak. This marked the second game in a row that Kotlinski has been completely healthy, giving the Sequoits a double threat in the backfield.

offense and be able to move the ball against their defense," Wapon said. "They don't show any weak spots."

WITH THE WAY the Sequoits have improved in their last four outings, it could be a much better game than the two teams' records would indicate. Antioch comes in at 3-5, while Warren is 7-1.

"We need to minimize our errors," he said. "If both teams play good defense and offense, it'll come down to who plays the most error-free football."

Wapon does not expect the Blue Devils to come out with anything different than they have shown in their last six victories. In turn, Wapon says the Sequoits do not plan anything different in preparing for Warren.

Both teams show a lot of running power, while either one will, and has, thrown the ball when the situation arises.

In the 26-13 Antioch win over Grant at Fox Lake on Oct. 24, the Sequoits won their third out of their last four games.

IN THE FIRST quarter, Antioch opened up the night's scoring on a 15-yard run by junior running back Mike Kotlinski. Gary Williams kicked the extra point putting the visitors up 7-0.

With 2:14 remaining in the opening period, Antioch extended their lead on an 82-yard touchdown jaunt by Kotlinski. Williams kicked the extra point making it 14-0, Antioch.

In the second quarter, the Sequoits extended their lead to 20-0 when defensive tackle Jim Kempfer pounced on a Bulldog fumble in the Grant end zone for a touchdown.

That was the way the score stood at halftime.

In the second 24 minutes, it was a different ball game as the Bulldogs came growling back.

THEY SCORED on a one-yard run by John Lindsey in the third quarter. The conversion was missed cutting the score to 20-6, Antioch.

In the fourth quarter, Grant cut the lead to 20-12 at 10:27 with Les Rosing doing the honors from one-yard

out. Mark Moats kicked the extra point making it 20-13.

Antioch put the lid on the freezer on the cold, windy night, as Mark Pomazak scored on a 36-yard run. The point-after-touchdown kick was no good leaving the final at 26-13.

Bob Heffernan, Antioch quarterback, had a good night passing despite the wet weather as he was three of seven attempts for 63 yards.

Steve Jennrich caught one for 18 yards, Bob Thain one for 31 and Pomazak one for 14.

RUSHING, POMAZAK had 21 carries for 134 yards, Kotlinski 17 for 150, Heffernan four for 36 and Jennrich two for 30.

The offensive and defensive lines did an outstanding job for Antioch as they controlled the line of scrimmage.

Defensively, the entire Sequoit unit showed well with Kempfer outstanding, and Dean Berkiel and John Jackson each pulling in an interception.

John Eckert was the Sequoit leader in offensive blocking with Kempfer, Pomazak and Carl Amundsen putting pressure on Rosing most of the night.

Warriors defeat Raiders

The Warriors put forth a good effort but in the last game of the Viking play-offs Sunday, but the Warriors were defeated by the Raiders with a score of 20-7.

The Warriors defence held the Raiders until the last 10 seconds of the second quarter.

The Raiders Steve Behrendt kept his teams momentum going and the Raiders went on to score again in the third and fourth quarters.

The Warriors touchdown in the third quarter, was made on a 55 yard run by Lance Bestland, with Ken Andersen running in the extra point.

Warriors coach Russ Cote gives credit to Lance Bestland, Ken Andersen, Mark Carpenter, Bob Cord, Glen Dyer and Mike Lawrence for giving a consistent effort throughout the game.

The parents of the Warriors team would like to thank Mr. Cote and his coaches for not only coaching the boys this season but also for "caring".

Raiders outscore Seahawk

The Viking Raiders stretched their winning record and defeated the Seahawks 14-6.

First score of the day was on a 10 yard run by Bill Usry of the Seahawks. The extra point attempt failed.

Both teams played a tough defensive game until the fourth quarter, when the Raiders had a come from behind victory.

Brian Horn had two consecutive runs of 22 yards and 18 yards and scored the Raiders' first touchdown.

Steve Behrendt scored the extra point.

The second Raider touchdown was set up when Steve Behrendt recovered a Seahawk fumble. Brian Horn then scored his second touchdown of the day and also added the extra point.

The Raiders' Mike Dobosh also intercepted a Seahawk pass. Extremely quick plays by Dennis Walsh, Rich Eckert, Matt Smith, and Keith Horn stopped the Seahawk ground attack.

Raiders trounce Warriors

The Viking Raiders wound up a winner by defeating the Warriors 20-7 and finishing the season in first place with a record of seven wins and one loss.

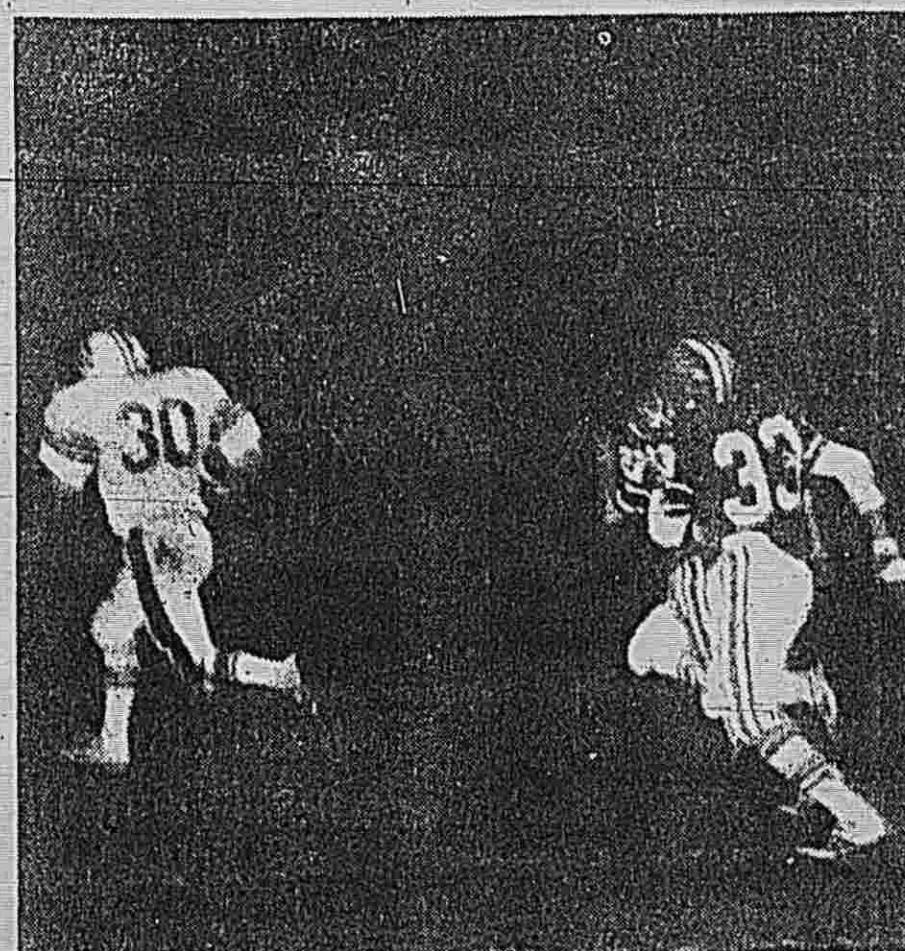

The Raiders scored first with five seconds left in the first half by a 38 yard run by Mike Dobosh. He then added the extra point making the score 7-0 at the half.

In the second half, the Raiders scored on a 25 yard run by Brian Horn. They then tried to kick for the extra point, but it was blocked.

The Warriors then scored on a 42 yard run by Lance Bestland and added the extra point, making the score 13-7.

The Raiders came right back in the fourth quarter by fine running from Steve Behrendt. He scored the touchdown and the extra point, making the final score 20-7.

The Raiders' coaches, Scott Poulter and David Walsh, credit the entire team for a victorious season.

ON HIS WAY — Mike Kotlinski, 30, is off on one of two first quarter touchdowns which geared Sequoit 26-13 win over Grant at Fox Lake Oct. 24. Attempting to catch him are Mike Lajdl, 33, and Greg Orbeck, 23, for Grant. Antioch concludes season at 8 p.m. Friday, Oct. 31, against Warren in Gurnee. — Photo by Doug Keeler.

Dracula to haunt PM&L

The celebrated thriller "Dracula" will be the next play to be seen at the PM&L Theater, 877 Main St. in Antioch.

This classic tale of horror will open there Saturday night, Nov. 15. Subsequent evening performances are set for Friday and Saturday nights, Nov. 21, 22, 28, and 29; and there will also be a matinee on Sunday, Nov. 23.

Curtain time is 8:30 p.m. for the evening shows and 2:30 p.m. for the Sunday matinee.

The afternoon presentation will be of particular interest to the many theatergoers who have not found it possible or convenient to come to performances on Friday and Saturday nights.

"DRACULA" is, of course, a classic among horror stories. The play was adapted by H. Deane and J.L. Balderston from the chilling novel by Bram Stoker.

The play tells the frightening story of Count Dracula, undoubtedly the most notorious of all vampires. As everybody knows, a vampire is a creature who must drink human blood to sustain himself.

Most vampires come from Transylvania; live forever; are inactive during the day, when they generally sleep in coffins; and are most active at night, in their search for liquid sustenance.

THUS, even at their most lovable, vam-

pires are mainly scary and uncomfortable to have around.

THE PM&L production is directed by Bill Sershon. His cast includes Larry Bullman, from Ingleside, as Count Dracula; Dawn Ferry, from Gurnee, as Lucy, the vampire's principal victim; Lou Jones, Round Lake, as Dr. Van Helsing; from Round Lake Beach, Jim Bishop as Dr. Seward and Bruce Stamm as Renfield; from Winthrop Harbor, Rosaline Trusky as the maid; and, from Antioch, Keith Boehm as Jonathan Harker and Bob McKee as Butterworth.

Most of these talented and popular performers have been seen, when they still had their blood, in earlier PM&L productions.

PROBABLY, enough playgoers will be able to get up the courage to see "Dracula" to promise full houses for many of the performances of this spinechiller.

You should therefore be sure to make your reservations by calling 395-3055, which has been newly beefed and blooded up to provide more complete reservation service during more hours, from 6 a.m. to 10 p.m.

Remember to be at the PM&L box office no later than 8:15 p.m. on the night, or 2:15 p.m. on the afternoon, you plan to see the show, and to leave your blood at home on that occasion.

TODD'S FOR TOYS — Todd Bridges, national chairman for the 1980 Marine Corps Reserve Toys for Tots campaign, asks your help in collecting new toys for underprivileged children. Todd is co-star of the television series "Diff'rent Strokes" and is seen here with his colleague in this annual drive, the Lollipop Dragon. See your local Marine Reserve representative for details on the Toys for Tots campaign.

VFW to sponsor dinner

The Lubeno - Patrick V.F.W. Auxillary 8373 held it's monthly meeting, Oct. 1 at Ted's Hideaway.

Nine members were

present. It was announced a spaghetti dinner will be held, Nov. 9, at Edie's Shantytown in Trevor.

Tickets will available from

V.F.W. Members or call 843-3881.

The next meeting will be held on Nov. 5 at 7:30 p.m. at Ted's Hideaway.

Jaycees look for campers

Last summer, the Antioch Jaycees sent a local child to a very special camp. Camp New Hope is an Illinois Jaycee owned and operated summer camp for the mentally handicapped. The child last summer stayed for one week and thoroughly en-

joyed herself.

Her mother has said that the experience seemed to do the girl a great deal of good. Encouraged by this success, the Antioch Jaycees would like to send three children to Camp New Hope

The Antioch Jaycees will

make all necessary arrangements and pay the camp fee from the money they have raised in the community. However, the reservation deadline for next summer's camp is Nov. 23, the Sunday before Thanksgiving.

—LEGAL— ORDINANCE NUMBER 80-10-18 AN ORDINANCE AMEN- DING SECTION 70.020 ET SEQ. REGARDING "LICENSING"

BE IT ORDAINED by the
Mayor and Board of
Trustees of the Village of
Antioch:

SECTION I. The
following sections relating
to the licensing of motor
vehicles are hereby amen-
ded as follows:
Section 70.022 (A) is
amended to read as
follows:

(A) The vehicle sticker
fee for all motor
vehicles, including
automobiles and trucks,
shall be as follows:

(1) For the period
January 1, 1981 through
April 30, 1982, the fee
shall be \$10;

(2) For each annual
period from May 1
through April 30 thereaf-
ter, the annual fee shall
be \$10.

Section 70.022 (C) is
amended to read as
follows:

(C) Replacement
stickers: The fee for the
replacement of a lost,

vehicle sticker shall be
\$2.

Section 70.022 (D) is
hereby added as follows:

(D) All such licenses
shall expire on the 30th
day of April following the
date of issuance, and
when issued for a period
of less than one year, the
fee is to be prorated for
the unexpired period of

the fiscal year of the
Village, but in no event
to be less than one-
fourth of the annual rate.
Section 70.022 (E) is
hereby added as follows:
(E) The fee for trans-
ferring a vehicle sticker
shall be \$2.

SECTION II: Section
70.025 — Vehicles of
dealers — is amended as
follows:

A person operating a
vehicle upon the streets
of the village with
dealer's plates issued by
the State of Illinois shall
pay to the Village a license
fee computed as
follows: \$10 for the first
dealer's license and \$4
for each additional
dealer's license issued to
him by the State of
Illinois. Such dealer shall
carry a metal plate at-
tached to the front state
license plate of each
vehicle, which metal
plate shall be provided
by the village clerk.

SECTION III. All Or-
dinances or parts of Or-
dinances in conflict
herewith are hereby
repealed.

SECTION IV. This Or-
dinance shall be in full
force and effect from and
after its passage and ap-
proval and publication as
provided by law.
